## OBJECTIVE

I've learned to wear many different hats at my jobs. At this point in my career, I feel its most important to find a company that is well-managed and has a fun and outgoing team to collaborate with.

## EXPERIENCE

09/2009 - present    CW Television Promo    Burbank, CA  
Senior Broadcast Designer  
Design show packages for the networks television series and development of the network brand.

03/2009 - 09/2009    Skip Film    Santa Monica, CA  
Freelance Motion Artist  
Created graphics for TV/Theatrical trailers, title sequences, and TV promo spots from conceptual stage to finishing stage.

08/2005 - 03/2009    Drissi Multimedia    Hollywood, CA  
Senior Motion Artist  
Served as a senior artist on many of the industry's new technologies including the launch of UMD and Blu-Ray while continuing to develop DVD menus for many "A Titles" in Hollywood. In addition to DVD menus, trailer graphics and other broadcast jobs were touched upon.  
\*Noteworthy accomplishments include lead design of the industry's first PSP UMD and industry first Blu-Ray concept design that was debuted at CES 2005.

08/2002 - 08/2005    Drissi Multimedia    Hollywood, CA  
Junior Artist  
Designed static DVD menus and occasional motion menus for major studios including Sony, Fox, Universal, and New Line Cinema.

## EDUCATION

California State University of Long Beach
